

Directions to back of Soundcraft:

Postcode for the rear off the shop is TN24 8LS, this should take you to our car park. Parking is limited but if you are collectiong/dropping off then pull into the car park and knock on the back door and we will find space for you!

The trick is, as soon as you turn into Park Street, go immediately to the left of all the bus stops, up the "service" road and we are the last yard, at the top, on the left. We share this with McDonalds so you should see their "M" easily enough!

Back door to the shop is by the red "X"!
